

# CAREER OPPORTUNITY WITH THE Portland Water Bureau | City of Portland

## Electrical/Instrumentation Systems Supervisor

**Annual Salary: \$77,064 – \$103,563**

**Opening Date: June 5, 2017**

**Closing Date: June 16, 2017**

### **JOB DESCRIPTION:**

The Portland Water Bureau is hiring an Electrical & Instrumentation Systems Supervisor. This position is responsible for providing first-line supervision, technical assistance and training to a staff of journey level industrial electricians. The position requires in-depth technical knowledge of industrial electrical and electronic equipment, maintenance practices and applicable electric codes. A General Supervising Electrician License or a Professional Electrical Engineering License issued by the State of Oregon is required. The ideal candidate will have a strong electrical background, excellent leadership and communication skills.
