

MEMORANDUM OF UNDERSTANDING

**Between
IBEW Local 48
And
Oregon-Columbia Chapter NECA**

May 13, 2021

IBEW Local Union 48 and Oregon-Columbia NECA hereby agree that Rosendin Electric, Inc. is authorized portability to bring two (2) Rosendin employees dispatched from IBEW Local Union 280 into the jurisdiction of Local 48 to work on the Golden Hills Wind Farm project until January 31, 2022. This authorization is exclusively for work on the Golden Hills Wind Farm project.

These individuals must check-in with Local 48 upon commencing work at the Golden Hills Wind Farm project site in order to ensure proper dues payments.

If a new portability agreement is struck between IBEW Locals 48 and 280 prior to the expiration of this MOU that meets or exceeds its limits, this MOU shall become null and void.

This MOU shall not be precedent setting, used in any Favored Nations challenge, or used in any negotiations in the future. The parties agree this is a one-time modification to the National Portability Agreement & Commercial/Industrial Agreement for the project and contractor listed above only.
