Section 5.01

The local Joint Apprenticeship and Training Committee (JATC) properly established between the chapter of the National Electrical Contractors Association (NECA) and the local union of the International Brotherhood of Electrical Workers (IBEW) shall adopt local Telecommunications Installer/Technician Apprenticeship Standards in conformance with the NJATC National Guideline Standards and Policies. All such standards shall be registered with the NJATC and thereafter submitted to the appropriate registration agency.

The JATC shall be responsible for all training. The JATC, however, may elect to establish a subcommittee consisting of two to four members appointed by the IBEW local union and an equal number of members appointed by the NECA chapter. The JATC or its properly established subcommittee shall be responsible for the conduct and operation of the Telecommunications Apprenticeship and Training Program in accordance with the standards and policies adopted by the local JATC. The duties of a subcommittee shall include interviewing, ranking, and selecting applicants, and the supervision of all apprentices in accordance with the registered standards and locally approved JATC policies.

JATC Subcommittee

Section 5.02

Where the JATC elects to establish a subcommittee, an equal number of members (two, three, or four) shall be appointed, in writing, by both the NECA chapter and the IBEW local union. All such appointments shall be in writing designating the beginning and termination dates for each appointment. The term of one subcommittee member from both the NECA chapter and the IBEW local union shall expire each year on a fixed anniversary date. The NECA chapter and the IBEW local union may elect to appoint one or more members of the JATC to serve on the subcommittee.

Subcommittee members serve at the will of the party they represent and may be removed by the party they represent or they may resign. All appointments made to fill unexpired terms shall likewise be in writing.

The subcommittee, where one is established by the JATC, shall select from its membership, but not both from the same party, a chairman and a secretary who shall retain voting privileges. The JATC, or its subcommittee, shall maintain a set of minutes for each and every meeting. Such minutes shall be considered confidential and shall be regarded as the property of the JATC and its subcommittee, where a subcommittee is properly established.

Appeals

Section 5.03

The subcommittee, where one exists, shall enforce standards and policies established and approved by the JATC. Any appeal pertaining to any action of the subcommittee, shall be referred to the JATC for review and resolution. Any decision or ruling of the JATC shall be final and binding on the subcommittee. If the JATC cannot resolve an appeal, the matter shall be properly referred to the local labor- management committee for resolution.

Trust

Section 5.04

Though the JATC may elect to establish subcommittees, there is to be only one JATC trust. That trust shall be responsible for all apprenticeship and training trust fund matters. Only properly appointed members of the JATC shall serve as trustees to the JATC trust.

Standards & Selection

Section 5.05

All apprentices shall enter the program through the JATC, or its subcommittee, as per the properly registered apprenticeship standards and selection procedures. No candidate shall be assigned to work as an apprentice until they have been properly selected and indentured.

Assignments/Reassignments

Section 5.06

The JATC, or its subcommittee, shall be responsible for the assignment, or reassignment, of all telecommunications installer/technician apprentices. All such job-training assignments, or reassignments, shall be made in writing, and the local union referral office shall be notified, in writing, of all job-training assignments. The JATC, or its subcommittee, shall have the authority to transfer any apprentice as it deems necessary or appropriate.

Termination

Section 5.07

The JATC may terminate any indenture prior to the completion of apprenticeship. When an indenture is terminated, the former apprentice shall not be eligible for employment under this agreement, in any classification, unless the individual has properly reapplied for the apprenticeship program and been selected. The individual shall not be permitted to be classified as an installer/technician, or provided any other classification under this agreement, until two years after they should have completed apprenticeship under their indenture, and they can demonstrate skills and knowledge to warrant such classification.

Ratios

Section 5.08

Though the JATC cannot guarantee any number of apprentices, any employer signatory to this agreement shall be entitled to a ratio of one apprentice to one telecommunications installer/technician or technician-level employee on any job. The JATC shall maintain an active list of qualified applicants, as per the selection procedures, in order to provide an adequate number of apprentices to meet the one-to-one ratio. Applicants shall not be selected and indentured when indentured apprentices are available for on-the-job training assignments. If the JATC is unable to provide an eligible employer with an apprentice within ten working days, the JATC shall select and indenture the next available applicant from the active list of ranked applicants.

Minimum Study Requirements

Section 5.09

Each apprentice shall be required to satisfactorily complete the three-year course of study provided by the NJATC as a minimum requirement for completion of their related classroom training. The JATC may also elect to require additional training options that are provided for in the National Guideline Standards. The total term of apprenticeship shall not require more than three years of related training.

Training Hours

Section 5.10

The apprentice is required to satisfactorily complete the minimum number of on-the-job training hours specified and properly registered in the Telecommunications Installer/Technician

Apprenticeship and Training Standards.

Supervision

Section 5.11

The apprentice is to be under the supervision of an installer/technician, a technician-level employee, or a qualified supervisor. Supervision will not be of a nature that prevents the development of responsibility and initiative. The apprentice shall be permitted to perform any and all job tasks in order to properly develop trade skills and become proficient in the work processes associated with the trade. Installer/technicians and technicians are not required to constantly watch or observe the work of the apprentice. The apprentice is not prohibited from working alone when the installer/technician, technician, or supervisor is required to leave or is absent from the job.

Health & Welfare/NEBF Contributions

Section 5.12

The employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices. Contributions to other benefit plans may be addressed in other sections of this agreement.

Program Completion

Section 5.13

Upon satisfactory completion of apprenticeship, the JATC shall provide the apprentice with a diploma from the NJATC. The JATC shall encourage the apprentice to seek college credit through the NJATC. The JATC may also require the apprentice to acquire any appropriate license required for installer/technicians to work in the jurisdiction covered by this agreement.

Contribution Amounts

Section 5.14

All Employers subject to the terms of this Addendum shall contribute seventy cents (\$.75) per hour for all Installer classifications and technician classifications including Foreman and General Foreman. For all apprentice classifications, the contribution shall be one dollar (\$1.05) per hour worked under this Agreement. This sum shall be due to the Trust Fund by the same date as is their payment to the NEBF under the terms of the Employees Benefit Agreement.

Apprenticeship Trust Contributions for Employer Reimbursement

Section 5.15

The employers agree to increase the apprenticeship trust \$.10 per hour to reimburse (pro rata) employer's expense for manufacturer's certification training for their employees. When employer's expense for certified training is above \$1000 per employee per seminar, the employee and the employer shall execute an industry accepted standard agreement that requires...if an employee leaves employment voluntarily within the first year of receiving certification training, the employee will reimburse the employer on a pro rata vs. time employed

basis for certification expense incurred, unless the employer no longer pursues the market the employee was certified in at which time the employee is no longer liable for the expense. Further, it is agreed that over a period of four weeks, if an employer cannot provide 120 hours of employment or comparable pro rata hours, or employment within 48 consecutive hours of a normal work week, the employee may receive a reduction in force rather than a voluntary quit.

Article VI

Pension, Benefits and Deductions

NEBF

Section 6.01

It is agreed that in accord with the National Employees Benefit Agreement entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, that unless authorized otherwise by the National Employees Benefit Board, the individual Employer will forward monthly to the designated Local Secretary- Treasurer an amount equal to 3% of their gross monthly labor payroll, which they are obligated to pay to the employees in this bargaining unit, and a completed payroll report prescribed by the National Board. The payment shall be made by check or draft and shall constitute a debt due and owing to the National Board on the last day of each calendar month, which may be recovered by suit initiated by the National Board or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate Local Secretary-Treasurer not later than fifteen (15) calendar days following the end of each calendar month.

Individual Employers who fail to remit as provided above shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours' notice, in writing, being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the Local Secretary-Treasurer.

The failure of an individual Employer to comply with the applicable provisions of the National Employees Benefit Agreement shall also constitute a breach of this Labor Agreement.

Vacation

Section 6.02

The employer agrees to withhold a vacation allowance of 4% from the gross hourly wage for each hour worked by employees under this collective bargaining agreement.

This allowance is part of wages and subject to all applicable taxes.

- a) On or before the fifteenth of each month, the employer shall forward all assigned amounts to the Electrical Trust Funds, P.O. Box 3866, Portland, Oregon, together with a record of hours worked and total amount withheld from each employee on the Fringe Benefit Report Form.*
- b) All vacation monies shall be deposited to the account of the IBEW & United Workers*

Federal Credit Union.

- c) *The IBEW & United Workers Federal Credit Union shall establish a vacation account for each employee covered by this Agreement and credit each with the percentage of their gross hourly wage for each hour worked as reported on monthly reports in the amounts required.*

The Union shall pay for all administrative expenses incurred in the operation of the plan other than those incurred within the individual employer's own office.

- d) *Annual time off for vacations for each employee subject to this Agreement shall be scheduled by mutual agreement between employer and employee, thirty (30) days in advance of scheduled date.*
- e) *It is the intention that individual vacations should, as far as possible, be granted to each employee in accordance with recognized vacation practices. It is recognized that this may not always be practical due to exigencies of particular jobs, sickness or other sufficient reasons, and it shall be necessary in such cases to make vacation arrangements to fit the needs of each particular job or shop.*
- f) *Not more than fifteen per cent (15%) of the employees in any shop or on any job shall be granted a vacation unless replacements can be supplied by the Union.*
- g) *Withdrawal of Vacation Allowance by an employee shall be arranged between the employee and the IBEW & United Workers Federal Credit Union.*

Health & Welfare

Section 6.03

*Each Employer agrees to pay the sum of **\$10.25 (ten dollars and twenty five cents)** per hour for each worked by all employees who perform work covered by the Collective Bargaining Agreement in accordance with the Harrison Electrical Workers Trust Fund Agreement.*

*The above stated contribution rate includes **\$9.00** for health care, \$.05 per hour for the Electrical Industry Drug Free Workplace Program, **\$.95** per hour to fund a prepaid health and welfare program for retirees between the ages of 60 and 65, and \$.25 per hour for the post 65 retirement program.*

Hours worked shall be deemed to include straight time hours worked, actual overtime hours worked, paid holidays and paid vacation time.

Remittance shall be forwarded to reach the designated collector on or before the fifteenth (15th) day of each month.

It is understood and agreed by the parties signatory to this Agreement that the purpose of this clause is to maintain an Employer-financed Health and Welfare program and that contributions hereto shall not be deemed to be wages to which any employee shall have any rights other than to have the right to have such contributions paid over to the Trust in accordance therewith.

Upon recommendation of the trustees of Harrison Electrical Workers Trust Fund, the contributions to the Fund may be increased and the Employee **and employer** agree to **evenly split** that determined amount for the duration of the Collective Bargaining Agreement. If during the term of the Agreement, any Federal or State act is enacted and the Trustees of the Harrison Electrical Workers Trust determine that the coverage provided by the act can result in lowering the contribution, the parties to the Agreement will meet and allocate the recommended excess contributions to any existing fringe benefits or to wages as the Union desires.

- a) As an alternative to the above-mentioned plan, the Employer may, at its' option, provide coverage under their firm's company health plan. Article X Collection

Collection

Section 10.01

Employer contributions to employee benefit trust funds required under this labor agreement, and more specifically, the International Brotherhood of Electrical Workers Harrison Electrical Workers Trust Fund ("Harrison Trust"), Edison Pension Trust ("Edison Trust"), National Electrical Benefit Fund ("NEBF"), International Brotherhood of Electrical Workers District No. 9 Pension Plan ("District 9 Pension Plan"), NECA-IBEW Electrical Training Trust ("Training Trust"), the

Cornell-Hart Pension Trust Fund ("Cornell-Hart"), and the Barnes-Allison Labor-Management Cooperation Trust Committee ("BALMCC"), hereafter collectively referred to as "the trust funds," are due and payable on or before the 15th calendar day of each month covering the hours worked by each employee through the last full payroll period in the prior calendar month. Each employer shall file a monthly report through the EPR live system for each contribution or fringe benefit in the form established therefore. A report shall be filed, regardless of whether or not the employer employed any covered employees in the period covered by said report, and a report indicating no contributions shall constitute a certification by the employer that there were no contributions owing for the period covered by the report.

Any employer who fails to file a report or pay contributions by the 15th calendar day of the month following the month in which the work was performed shall be considered delinquent and in violation of this Agreement. Legal action may be brought by the appropriate parties to enforce collection and/or reporting without resort to arbitration. Delinquent employers shall be liable for all reasonable attorney fees, court costs and other expenses incurred in the enforcement of any applicable trust agreement or collection from such employer plus liquidated damages and lost earnings charges provided below. Each employer shall make available applicable books and records for the purpose of auditing same to determine the amount of the employer's liability, and shall pay the expenses of the audit if any delinquencies are found under the guidelines of any of the applicable trust agreements. An action to collect contributions may be brought in the name of the respective trust fund Trustees, or the Trustees who compose the trust funds joint Audit Committee, or any other assignee or agency designated by said Trustees. Each employer agrees to, and shall be bound by, the terms of the Trust Agreement for each trust fund to which contributions are allowed or required hereunder.

Any employer which is delinquent in the payment or reporting of contributions shall be liable for liquidated damages and for damages for loss of earnings and related administrative and collection expenses which are difficult to calculate and may be difficult to assess. These liquidated damages are in addition to contributions otherwise due. In addition, interest damages for loss of earnings on contributions which are delinquent past the due date, shall be charged at the rate of ten percent (10%) of the delinquent contributions from the due date, compounded monthly until paid in full. Such interest charges shall apply both pre- and post-judgment, and the bargaining parties specifically waive their right to have post-judgment interest calculated at the federal statutory (or any other) rate. Liquidated damages shall be computed for each trust in an amount up to 20% of the unpaid contributions on the due date.

The parties agree to abide by the terms and conditions established from time to time by the trustees of the various trust funds providing the fringe benefits, with respect to any collection procedure for delinquent contributions; provided, however, this Agreement or the applicable trust agreement shall control to the extent of any direct conflict with such collection procedures.

Each employer without prior participation and contribution history to the trust funds or which have been delinquent in reporting or paying contributions to the trust funds shall post security, referred to as a "bond," to secure future payment of contributions due the trust funds in the

manner and to the extent required by the collection policies and procedures established by the trust funds.

Delinquent employers shall be liable to any employee affected by such delinquency for all benefits lost by such employee by virtue of such delinquency, plus interest at the statutory rate (pre- and post-judgment, and the bargaining parties specifically waive their right to have post-judgment interest calculated at the federal [or any other] rate), and such delinquent employer shall also be liable for reasonable attorney fees and collection and audit costs incurred for any action brought to recover the amount of said benefits.

The union may remove employees covered by this Agreement from the employ of a delinquent employer provided advance notice to the delinquent employer of not less than seventy-two (72) hours is given of such proposed action. Such removal of employees and the cessation of work by the employees of any such delinquent employer shall continue until the administrator or collecting agent of the applicable trust funds involved confirm that no amounts remain owing to said fund by said employer.

Liquidated Damages Delinquency Charge

Section 10.2

There has been considerable time and effort since 1984 on behalf of the parties hereto assessing the need for and amount of liquidated damages that an employer should pay to cover administrative and collection effort that is difficult to estimate and could be substantial.

The parties recognize and acknowledge: that the regular and prompt payment of individual employer contributions and/or amounts withheld from employees wages is essential to the maintenance of the various multiemployer employee benefit funds and designated recipients of the withholdings; that delinquencies cause increased administration because of the additional labor, record keeping, oral and written notification, investigation, consultation and other effort to enter information in the computers, make calculations, send demand letters to and other wise communicate with the delinquent employer, make reports to the delinquency committee members responsible for collecting all delinquent amounts, and fully inform counsel, the auditor or other third parties of the information needed to collect all delinquencies; that each failure to pay must be investigated and referred to one or more appropriate service providers for field investigation or audit or legal action; and that thereafter promptly pays the delinquent contributions or withholdings.

The employer's failure to make timely payments each month of the contribution and withholding amounts required by employer's agreement can result in: damage to the labor-management harmony, the amount of which is difficult to estimate; employee loss of health and certain pension coverage, with damage that could be substantial and would be difficult or impossible to estimate; and reduced benefit amounts to all employees of all participating employers if late or delinquent payments become significant.

The foregoing are not exhaustive, but demonstrate some of the costs, difficulties and damages

created by late payment or nonpayment. As the length of the delinquency increases, the time and effort by the administrative staff and retrained service providers increases, thereby increasing the damage to the recipients. Unlike the lost earnings charge, which increases at a specified rate per day, the exact cost for additional damages caused by late payment or nonpayment is extremely difficult to determine.

Accordingly, in light of the anticipated harm caused by late payment or nonpayment of contributions and withholdings, the difficulties of proof of loss, and the inconvenience or nonfeasibility of otherwise obtaining an adequate remedy, the parties agree, that a delinquent employer shall be liable for all liquidated damages delinquency charges specified herein with respect to all contributions and withholdings not paid by the delinquency date.

Liquidated Damage Delinquency Charges Per Fund

Section 10.3

(For Each Month of Nonpayment of Contributions or Withholdings Owed for a Work Month):

- A. First delinquency in a 12 consecutive month period - \$25 for each full or partial month of delinquency during which the contributions or withholdings remain unpaid;*
- B. Second delinquency in a 12 consecutive month period - 5 percent (5%) of contributions owed, or \$25 if larger, for each full or partial month of delinquency during which the contributions or withholdings remain unpaid;*
- C. Third and all subsequent delinquencies in a 12 consecutive month period - ten percent (10%) of contributions owed, or \$25 if larger, for each full or partial month of delinquency during which the contributions or withholdings remain unpaid;*

Provided, however, that the total per fund liquidated damage delinquency charge assessed for any delinquency under either B or C shall not exceed twenty percent (20%) of the unpaid contributions or withholdings owed for any specific work month, or One Hundred Dollars (\$100), if larger.

Lost Earnings Charge

Section 10.4

In addition, the delinquent contributions and withholdings shall bear a lost earnings charge computed as interest at the rate of 1.5 percent for each full or partial month, commencing with the first of the month following the due date, until they are paid. The Joint Conference Committee is hereby authorized to assess and order payment of the liquidated damages, lost earnings charges and collection expenses provided for herein.

Court Action To Collect

Section 10.5

It further is agreed that the contributions and withholdings are separate and distinct from the liquidated damages delinquency charge, lost earnings, other costs, fees or expenses incurred, and attorney fees. If employer pays the contributions or withholdings or both upon which the liquidated damages and other charges are owed, but the latter damages are not paid, legal

action may be brought on behalf of the Funds and other proper recipients to collect liquidated damages, lost earnings, other costs, fees or expenses incurred, and attorney fees, both at trial and on appeal.

Favored Nations

The union agrees that if, during the life of this Agreement, it grants to any other employer in the electrical contracting industry on work covered by this Agreement, any better terms or conditions than those set forth in this Agreement, such better terms or conditions shall be made available to the employers under this Agreement and the union shall immediately notify all employers of any such concession.

Separability

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.

IN WITNESS WHEREOF, the parties to this Agreement agree to abide by all terms and conditions herein and have executed this Agreement on this 17th day of November, 2023.
