BASIC PRINCIPLES

All parties to and covered by this Agreement have a common and sympathetic interest in the Electrical Industry. All will benefit by continuous peace and by adjusting any differences by rational common sense methods. Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

The parties to this Agreement shall not discriminate in any manner in the application of this labor Agreement against anyone because of race, religion, sex, color or national origin, physical or mental handicap, or veteran status. Section 1.02(b). Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

Section 1.02(c). The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

Section 1.02(d). Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this agreement may be submitted jointly or unilaterally by the

Selection of the arbitrator from the list provided by the Federal Mediation & Conciliation Service shall be carried out in accordance with the rules of the Federal Mediation & Conciliation Service. The arbitrator's decision shall be final and binding on both parties to this Agreement. The expense of the arbitration shall be borne equally by the Employer and the Union. The impartial arbitrator shall not have the authority to amend or modify this Agreement or establish new terms and conditions under this Agreement. The Joint Conference Committee (or its delegate) shall adopt such rules and procedures with respect to the employer security requirement of this paragraph as it deems necessary and

appropriate. Failure by the Employer to promptly pay the fringe benefits and other amounts required to be remitted under this Agreement shall be just cause to invoke the penalty clause relating to fringe benefit payments and allow the Joint Conference Committee (or its delegate) to initiate collection action under the Collection Provisions of this Agreement, including an action to foreclose on such security.

NON-RESIDENT EMPLOYEES: (*Portability*)

Section 2.08. An Employer signatory to a collective bargaining agreement or to a letter of assent to an agreement with another IBEW Local Union, who signs this Agreement, may bring up to four bargaining unit employees employed in that Local Union's jurisdiction into this Local's jurisdiction and up to two bargaining unit employees per job from that Local's jurisdiction to this Local's jurisdiction for specialty or service and maintenance work. All charges of violations of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement for the handling of grievances with the exception that any decision of a local labor-management committee that may be contrary to the intent of the parties to the National Agreement on Employee Portability, upon recommendation of either or both the appropriate IBEW International Vice President or Employer, is subject to review, modification, or rescission by arbitration as previously set forth.

FAVORED NATIONS:

Section 2.09. The Union agrees that if, during the life of this Agreement, it grants to any other employer in the Electrical Contracting Industry on work covered by this Agreement, any better terms or conditions than those set forth in this Agreement, such

better terms or conditions shall be made available to the Employer under this Agreement and the Union shall immediately notify the Employer of any such concession.

Section 2.11. The Employer shall not loan or cause to be loaned any member and/or workman covered by this Agreement in his employ without first securing permission of the Union, as follows:

- a. The Employer shall have a request into the dispatch office for manpower that is unfilled for 48 hours.
- b. The Employer will call the Business Manager regarding the unfilled manpower request and confirm to the Business Manager to utilize Section 2.11 by subcontracting with other named IBEW signatory contractors.
- c. The Business Manager will approve a request for Section 2.11.
- d. The Employer subcontracting manpower will have a written subcontract agreement between the parties.
- e. Payment of wages and fringe benefits on behalf of the employee(s) will be paid by the original contractor the employee(s) is working for.
- f. When the subcontracting is complete, the Employer shall notify the Business Manager that the employee(s) is back with the original contractor.

Section 2.12(b). Journeymen shall be required to make any necessary corrections of code violations for which they are responsible, on their own time during the regular working hours, however, they shall not be required to make corrections unless notified by the Employer involved within five (5) days after notification by the Inspection authority. Section 2.13(a). The Union shall have the right to appoint one (1) employee from the shop as a Steward at any shop or on any job where workmen are employed under the terms of this Agreement. The Employer will be notified in writing the name of such

Steward. Such Steward shall see that this Agreement and working rules are observed and he shall be allowed sufficient time to perform these duties during regular working hours. Under no circumstances shall the Employer dismiss or otherwise discriminate against any employee making a complaint or giving evidence with respect to an alleged violation of any provision of this Agreement. If any dispute arises on a job that a Steward cannot settle, the Steward will notify the Business Manager. The Steward will have no further jurisdiction over the matter giving rise to the dispute and provided that the matter causing the dispute remains status quo, he will return to his work assignment pending arrival of the Business Manager.

Section 2.13(b). No steward shall be discriminated against by the Employer because of his faithful performance of duties as steward. It is the intent of the industry that stewards shall be present at jobsites when work is performed and employed where practical as long as a general foreman is required on the job. Before any steward is to be removed from the job, 24-hour notice must first be given to the Business Manager of the Union.

Section 2.13(c). The Union Business Manager may appoint off the referral list a steward to go to any job that is estimated to employ 25 workers or more. This does not void management's rights under Section 2.02.

Section 2.15(b). When such removal takes place the Union or its representatives shall direct the workmen on such job to carefully put away all tools, materials, equipment or any other property of the Employer in a safe manner. The Employer accordingly agrees to pay transportation allowances (as detailed below) as an adjustment for out-of-pocket expenses which are not to be construed by the employee as any form of compensation for employment.

It is agreed and understood that while traveling to and from work, the employees are not within the course and scope of their employment and the relationship of employer-employee does not commence until the hourly wage commences.

DRY AREA FOR TOOLS AND MEALS:

Section 3.12. On jobs requiring the services of a Foreman, the Employer shall provide a warm dry area for the workers to dry their clothes. Such area shall be equipped with suitable arrangements for the workers to eat, and said area shall not be used for storage of Employer's tools or materials.

MEALS/OVERTIME:

Section 3.13(a). Employees retained at the Employers' request more than five and one-half (5 1/2) hours after the noon lunch hour, or the established lunch hour in shift work, and similarly after each five and one-half hour period, shall be provided a wholesome meal, hot if at all possible, at the expense of the Employer. If it is necessary for the workman to travel or be transported to a suitable eating establishment in order to get such meal, the time spent traveling shall be considered as time worked. Time spent while eating shall not be paid for.

Section 3.13(b). When a workman has worked on shift at the overtime rate, he shall not go to work again for the regular rate until he is relieved for a period of eight hours.

PERSONAL AUTOMOBILES:

The cutting and threading of all conduit and nipples shall be performed by workmen employed under this Agreement. There shall be no restriction covered by this Agreement on the installation of any materials or equipment that are listed as a stock item in the electrical industry catalogs or price lists and furnished as a manufactured product.

ARTICLE IV REFERRAL PROCEDURE

Section 4.01. In the interest of maintaining an efficient system of production in the Industry, providing for an orderly procedure of referral of applicants for employment, preserving the legitimate interests of employees in their employment status within the area and of eliminating discrimination in employment because of membership or non-membership in the Union, the parties hereto agree to the following system of referral of applicants for employment.

Section 4.02. The Union shall be the sole and exclusive source of referral of applicants for employment.

Section 4.03. The Employer shall have the right to reject any applicant for employment.

Section 4.04. The Union shall select and refer applicants for employment without discrimination against such applicants by reason of membership or non-membership in the Union and such selection and referral shall not be affected in any way by rules, regulations, bylaws, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All such selection and referral shall be in accord with the following procedure.

Section 4.05. The Union shall maintain a register of applicants for employment established on the basis of the Groups listed below. Each applicant for employment shall be registered in the highest priority Group for which he qualifies.

JOURNEYMAN WIREMAN

GROUP I All applicants for employment who have four or more years' experience in the trade, are residents of the geographical area constituting the normal construction labor market, have passed a Journeyman Wireman's examination given by a duly constituted Inside Construction Local Union of the I.B.E.W. or have been certified as a Journeyman Wireman by any Inside Joint Apprenticeship and

Training Committee, and, who have been employed in the trade for a period of at least one year in the last four years in the geographical area covered by the collective bargaining agreement.

Group I status shall be limited to one Local Union at one time. An applicant who qualifies for Group I in a local union shall be so registered electronically and remain on Group I in that local union unless and until the applicant designates another local union as his or her Group I local union. If an applicant qualifies for Group I status in a local union other than his or her home local union and designates that local as his or her Group I local union, the business manager of the new Group I status local union shall by electronic means notify the business manager of the applicant's former Group I status local union.

GROUP II All applicants for employment who have four or more years' experience in the trade and who have passed a Journeyman Wireman's examination given by a duly constituted Inside Construction Local Union of the I.B.E.W. or have been certified as a Journeyman Wireman by any Inside Joint Apprenticeship and Training Committee.

GROUP III All applicants for employment who have two or more years' experience in the trade, are residents of the geographical area constituting the normal construction labor market, and who have been employed for at least six months in the last three years in the geographical area covered by the collective bargaining agreement.

GROUP IV All applicants for employment who have worked at the trade for more than one year.

Section 4.06. If the registration list is exhausted and the Local Union is unable to refer applicants for employment to the Employer within 48 hours from the time of receiving the Employer's request, Saturdays, Sundays and holidays excepted, the Employer shall be free to secure applicants without using the Referral Procedure but such applicants, if hired, shall have the status of "temporary employees".

Section 4.07. The Employer shall notify the Business Manager promptly of the names and Social Security numbers of such "temporary employees" and shall replace such "temporary employees" as soon as registered applicants for employment are available under the Referral Procedure.

Section 4.08. "Normal construction labor market" is defined to mean the following geographical area plus the commuting distance adjacent thereto which includes the area from which the normal labor supply is secured:

Clackamas, Clatsop, Columbia, Hood River, Multnomah, Tillamook, Wasco, Washington and Sherman Counties, and Yamhill County north of section line T4S, State of Oregon; and Clark, Cowlitz, Klickitat, Skamania and Wahkiakum Counties, State of Washington.

The above geographical area is agreed upon by the parties to include the area defined by the Secretary of Labor to be the appropriate prevailing wage area under the Davis-Bacon Act to which the Agreement applies.

Section 4.09. "Resident" means a person who has maintained his permanent home in the above defined geographical area for a period of not less than one year or who, having had a permanent home in this area, has temporarily left with the intention of returning to this area as his permanent home.

Section 4.10. An "Examination" shall include experience rating tests if such examination shall have been given prior to the date of this procedure, but from and after the date of this procedure, shall include only written and/or practical examinations given by a duly constituted Inside Construction Local Union of the I.B.E.W. Reasonable intervals of time for examinations are specified as ninety (90) days. An applicant shall be eligible for examination if he has four years' experience in the trade.

Section 4.11. The Union shall maintain an "Out of Work List" which shall list the applicants within each Group in chronological order of the dates they register their availability for employment.

RE-REGISTRATION:

Section 4.12. An applicant who has registered on the Book I "Out of Work List" must renew his application annually or his/her name will be removed from the List. An applicant who has registered on any other Book other than Book I "Out of Work List" must renew his application every 30 days or his/her name will be removed from the List.

Section 4.13. An applicant who is hired and who receives, through no fault of his own, work of forty hours or less shall, upon re-registration, be restored to his appropriate place within his Group.

Section 4.14(a). Employer shall advise the Business Manager of the Local Union of the number of applicants needed. The Business Manager shall refer applicants to the Employer by first referring applicants in Group I in the order of their place on the "Out of Work List" and then referring applicants in the same manner successively from the "Out of Work List" in Group II, then Group III, and then Group IV. Any applicant who is rejected by the Employer shall be returned to his appropriate place within his Group and shall be referred to other employment in accordance with the position of his Group and his place within his Group.

REPEATED DISCHARGE:

Section 4.14(b). An applicant who is discharged for cause two times within a 12-month period shall be referred to the neutral member of the Appeals Committee for a determination as to the applicant's continued eligibility for referral. The neutral member of the Appeals Committee shall, within three business days, review the qualifications of the

applicant and the reasons for the discharges. The neutral member of the Appeals Committee may, in his or her sole discretion: (1) require the applicant to obtain further training from the JATC before again being eligible for referral; (2) disqualify the applicant for referral for a period of four weeks, or longer, depending on the seriousness of the conduct and/or repetitive nature of the conduct; (3) refer the applicant to an employee assistance program, if available, for evaluation and recommended action; or (4) restore the applicant to his/her appropriate place on the referral list.

Section 4.15. The only exceptions which shall be allowed in this order of referral are as follows:

- a. When the Employer states bona fide requirements for special skills and abilities in his request for applicants, the Business Manager shall refer the first applicant on the register possessing such skills and abilities.
- b. The age ratio clause in the Agreement calls for the employment of an additional employee or employees on the basis of age. Therefore, the Business Manager shall refer the first applicant on the register satisfying the applicable age requirements provided, however, that all names in higher priority Groups, if any, shall first be exhausted before such overage reference can be made.

Section 4.16. An Appeals Committee is hereby established composed of one member appointed by the Union, one member appointed by the Employer or the Association, as the case may be, and a Public Member appointed by both these members.

Section 4.17. It shall be the function of the Appeals Committee to consider any complaint of any employee or applicant for employment arising out of the administration by the Local Union of Sections 4.04 through 4.15 of the Agreement. The Appeals Committee shall have the power to make a final and binding decision on any such complaint which shall be complied with by the Local Union. The Appeals Committee is authorized to issue procedural rules for the conduct of its business but it is not authorized to add to, subtract from, or modify any of the provisions of this Agreement and its decisions shall be in accord with this Agreement.

Section 4.18. A representative of the Employer or of the Association, as the case may be, designated to the Union in writing, shall be permitted to inspect the Referral Procedure records at any time during normal business hours.

Section 4.19. A copy of the Referral Procedure set forth in this Agreement shall be posted on the Bulletin Board in the offices of the Local Union and in the offices of the Employer who are parties to this Agreement.

Section 4.20. Apprentices shall be hired and transferred in accordance with the Apprenticeship provisions of the Agreement between the parties.

ARTICLE V APPRENTICESHIP AND TRAINING

Section 5.01. There shall be a local Joint Apprenticeship and Training Committee (JATC) consisting of a total of either 6 or 8 members who shall also serve as Trustees to the local apprenticeship and training trust. An equal number of members (either 3 or 4) shall be appointed, in writing, by the local chapter of the National Electrical Contractors Association (NECA) and the local union of the International Brotherhood of Electrical Workers (IBEW).

The local apprenticeship standards shall be in conformance with national guideline standards and industry policies to ensure that each apprentice has satisfactorily completed the NJATC required hours and course of study. All apprenticeship standards shall be registered with the NJATC before being submitted to the appropriate registration agency.

The JATC shall be responsible for the training of apprentices, journeymen, installers, technicians, and all others (unindentured, intermediate journeymen, etc.)

Section 5.02. All JATC member appointments, re-appointments and acceptance of appointments shall be in writing. Each member shall be appointed for a three year term, unless being appointed for a lesser period of time to complete an unexpired term. The terms shall be staggered, with one (1) term from each side expiring each year. JATC members shall complete their appointed term unless removed for cause by the party they represent or they voluntarily resign. All vacancies shall be filled immediately.

The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for Trust meetings.

The JATC should meet on a monthly basis, and also upon the call of the Chairman.

Section 5.03. Any issue concerning an apprentice or an apprenticeship matter shall be referred to the JATC for its review, evaluation, and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article I of this Agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.

Section 5.04. There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunication apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this Agreement.

All subcommittee members shall be appointed, in writing, by the party they represent. A subcommittee member may or may not be a member of the JATC.

Section 5.05. The JATC may select and employ a part-time or a full-time Training Director and other support staff, as it deems necessary. In considering the qualification, duties, and responsibilities of the Training Director, the JATC should review the Training Director's Job Description provided by the NJATC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

Section 5.06. To help ensure diversity of training, provide reasonable continuous employment opportunities, and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring apprentices from one employer to another. The Employer shall cooperate in providing apprentices with needed work experiences. The local union referral office shall be notified, in writing, of all job training assignments. If the Employer is unable to provide reasonable continuous employment for apprentices, the JATC is to be so notified.

Section 5.07. All apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for local union referral purposes until the apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at some time in the future, but no sooner than two years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

Section 5.08. The JATC shall select and indenture a sufficient number of apprentices to meet local manpower needs. The JATC is authorized to indenture the number of apprentices necessary to meet the job site ratio as per Section 5.12.

Section 5.09. Though the JATC cannot guarantee any number of apprentices; if a qualified employer requests an apprentice, the JATC shall make every effort to honor the request. If unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

Section 5.10. To accommodate short-term needs when apprentices are unavailable, the JATC shall assign unindentured workers who meet the basic qualification for apprenticeship. Unindentured workers shall not remain employed if apprentices become available for OJT assignment. Unindentured workers shall be used to meet job site ratios except on wage and hour (prevailing wage) job sites.

Before being employed, the unindentured person must sign a letter of understanding with the JATC and the employer - agreeing that they are not to accumulate more than two thousand (2,000) hours as an unindentured, that they are subject to replacement by

indentured apprentices and that they are not to work on wage and hour (prevailing wage) job sites.

Should an unindentured worker be selected for apprenticeship, the JATC will determine, as provided for in the apprenticeship standards, if some credit for hours worked as an unindentured will be applied toward the minimum OJT hours of apprenticeship.

The JATC may elect to offer voluntary related training to unindentured; such as Math Review, English, Safety, Orientation/Awareness, Introduction to OSHA, First-Aid and CPR. Participation shall be voluntary.

Section 5.11. The Employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices and unindentured. Contributions to other benefit plans may be addressed in other Sections of this Agreement.

Section 5.12. Each job site shall be allowed a ratio of (2) apprentice(s) for every (3) Journeyman Wiremen(man).

<u>Number of Journeymen</u>	<u>Maximum Number of Apprentices/Un-indentured</u>
1 to 3	2
4 to 6	4
7 to 9	6
“ “ “	“ “ “
97 to 99	66
Etc.	Etc.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The Employer's shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

Section 5.13. An apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the apprentice must always be in sight of a Journeyman Wireman. Journeymen are not required to constantly watch the apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the Employer's designated supervisor or journeyman based on their evaluation of the apprentice's skills and ability to perform the job tasks. Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the apprentice.

Apprentices who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT

with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman.

An apprentice shall not be the first person assigned to a job site and apprentices shall not supervise the work of others.

Section 5.14. Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each apprentice to acquire any electrical license required for journeymen to work in the jurisdiction covered by this Agreement.

Section 5.15. The parties to this Agreement shall be bound by the Local Joint Apprenticeship Training Trust Fund Agreement which shall conform to Section 302 of the Labor-Management Relations Act of 1947 as amended, ERISA, and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials, or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

Section 5.16. The Employer subject to the terms of this Agreement shall contribute the amount of funds specified by the parties signatory to the local apprenticeship and training trust agreement. The current rate of contribution is sixty (\$.60) cents, effective 1/1/13 and seventy (\$.70) cents, effective 7/1/13 for each hour worked by Journeyman, Foreman and General Foreman and one dollar (\$1.00) per hour for all apprentices covered by the terms of this Agreement. The \$.10 increase effective 7/1/13 is to establish a fund to retire the Training Center mortgage. When the mortgage has been paid, the extra contribution of \$.10 per hour will no longer be required to be paid by the employers. This sum shall be due the Trust Fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit Agreement and Trust.

Section 5.17. First year apprentices may perform all tasks assigned by a general foreman, foreman, and/or journeyman, however, they shall not work on or near exposed energized circuits or systems. ARTICLE VI FRINGE BENEFITS

NEBF:

Section 6.01. It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF the individual

Employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having his agreement terminated upon seventy-two (72) hours' notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Agreement.

HEALTH AND WELFARE:

Section 6.02(a). HARRISON H & W. It is mutually agreed between the parties hereto, and in accordance with the Harrison Electrical Workers Trust Fund Agreement signed by the Oregon-Columbia Chapter, NECA and Local Union No. 48, IBEW, jointly established for this purpose and administered in compliance with Federal and State regulations governing Health and Welfare Funds, the Employer shall pay the sum of eight dollars and thirty cents per hour (\$8.30) effective January 1, 2013 and eight dollars and forty-five cents per hour (\$8.45) effective July 1, 2013 for each hour worked by all employees who perform work covered by the Collective Bargaining Agreement between the Employer and the Union.

Hours worked shall be deemed to include straight time hours worked, actual overtime hours, report time and shift premium hours not worked.

Remittance shall be forwarded to reach the designated collector on or before the fifteenth (15th) day of each month.

It is understood and intended by the parties to this Agreement that the purpose of this clause is to establish an Employer financed Health and Welfare Trust and that the contributions thereto shall not be deemed to be wages to which any employee shall have any right other than the right to have such contributions paid over to the Trust Fund in accordance therewith.

Upon recommendation of the Trustees of the Harrison Electrical Workers' Health and Welfare Trust Fund, the contributions to the Fund may be increased by--the jointly signing of an amendment--a corresponding deduction from the employees' wages after 60 days' notice is given to Management prior to any scheduled wage adjustment. If during the term

of the Agreement any federal or State act is enacted and the Trustees of the Harrison Trust determine that the coverage provided by the act can result in the lowering of the Harrison Electrical Workers contribution, the parties to the Agreement will meet and allocate the recommended excess contributions to any existing fringes or to wages as the Union desires.

The above stated contribution rate includes \$6.80 (\$6.95 on 7/1/13) for health care, \$.10 per hour for the Electrical Industry Drug Free Workplace Program and \$1.15 per hour to fund a pre-paid health and welfare program for retirees between the ages of 60 and 65 and \$.25 for the post 65 retirement program.

Section 6.02(b). The Harrison Health and Welfare contribution shall be increased to \$1.20 per hour effective January 1, 2006, to fund a new "Supplemental Flexible Benefit Fund" as described below.

The Harrison "Supplemental Flexible Benefit Fund" will fall under the Harrison Trust which will allow each employee an individual account to provide for additional monies, \$1.20 per hour, to be contributed on their behalf by the Employer to be utilized by the employee for inner trust payments such as coverage for out of pocket or co-payment premiums and for new benefits as determined by the trustees allowable by law for approvable spending accounts in a cafeteria style plan i.e., child care, life insurance, long term care, deductibles, co-pays, etc.

In addition, as the law allows, individuals may withdraw funds from their account (taxed as required) for such provisions as illness, military, medical or family leave, workers compensation, unemployment or other leave deemed appropriate by the trustees and the law. Please see Appendix A for Cowlitz & Wahkiakum Counties.

VACATION:

Section 6.03(a). The Employer agrees to withhold a vacation allowance of 4% from the gross hourly wage for each hour worked by employees under this Collective Bargaining Agreement. Union agrees to hold Employer harmless from any action growing out of any such deduction and assumes full responsibility for the disposition of the funds so deducted once they have been sent to the Union or its designee.

This allowance is part of wages and subject to all applicable taxes.

Section 6.03(b). On or before the fifteenth of each month, the Employer shall forward all assigned amounts to the Electrical Trust Funds, 601 NE Everett Street, Portland, Oregon, 97232 together with a record of hours worked and total amount withheld from each employee on the Fringe Benefit Report Form.

All vacation moneys shall be deposited to the account of the IBEW & United Workers Federal Credit Union.

Section 6.03(c). The IBEW & United Workers Federal Credit Union shall establish a vacation account for each employee covered by this Agreement and credit each with the

percentage of their gross hourly wage for each hour worked as reported on monthly reports in the amounts required in Section 6.03(a) above.

Section 6.03(d). The Union shall pay for all administrative expenses incurred in the operation of the plan other than those incurred within the individual Employer's own office.

Section 6.03(e). Annual time off for vacations for each employee subject to this Agreement shall be scheduled by mutual agreement between Employer and employee, thirty (30) days in advance of scheduled date.

Section 6.03(f). It is the intention that individual vacations should, as far as possible, be granted to each employee in accordance with recognized vacation practices. It is recognized that this may not always be practical due to exigencies of particular jobs, sickness or other sufficient reasons, and it shall be necessary in such cases to make vacation arrangements to fit the needs of each particular job or shop.

Section 6.03(g). Not more than fifteen per cent (15%) of the employees in any shop or on any job shall be granted a vacation unless replacements can be supplied by the Union.

Section 6.03(h). Withdrawal of Vacation Allowance from the IBEW & United Workers Federal Credit Union by an employee shall be arranged between the employee and the IBEW & United Workers Federal Credit Union.

CREDIT UNION:

Section 6.04. Additional deductions may be assigned in writing to be credited to an employee's account in the IBEW & United Workers Federal Credit Union as directed by the employee. The employee shall give thirty (30) days' advance notice in writing of any change in the assigned deduction. The deduction shall be paid per section 6.03(b) of this Agreement. Union agrees to hold Employer harmless from any action growing out of any such deduction and assumes full responsibility for the disposition of the funds so deducted once they have been sent to the Union or its designee.

EDISON PENSION:

Section 6.05(a). The Employer shall pay the following sum per hour for each hour worked, by all employees who perform work covered by this Collective Bargaining Agreement, to the Trustees of the Edison Pension Trust for the purpose of maintaining the Edison Pension Plan. Hours worked shall be deemed to include straight time hours worked, actual overtime hours, report time and shift premium hours.

Section 6.05(b). The Employer agrees to pay Four Dollars and Five Cents (\$4.05)** effective 1/1/13 and Four Dollars and Ninety Cents (\$4.90)** effective 7/1/13 per hour for journeymen wiremen, Four Dollars and Thirty Cents (\$4.30) effective 1/1/13 and Five Dollars and Fifteen Cents (\$5.15) effective 7/1/13 per hour for foremen and Four Dollars and Fifty-Five Cents (\$4.55) effective 1/1/13 and five dollars and Forty Cents (\$5.40) effective 7/1/13 per hour for general foremen for all hours worked covered by this Agreement, except for 1st and 2nd term apprentices who are probationary employees and receive no contributions.

**All other apprentices will receive their contribution of the \$4.05 and \$4.90 respectfully, based on their percentage of journeyman rate.

Please see Appendix A for Cowlitz & Wahkiakum Counties.

Section 6.05(c). The parties to this Agreement agree and by this Agreement do designate as their respective representatives on the Board of Trustees such Employer or Union Trustees as will be selected in the manner provided by the Trust Agreement, together with their successors.

NINTH DISTRICT RETIREMENT PLAN:

Section 6.06(a). The Employer agrees to pay Three Dollars and Fifteen Cents (\$3.15)** per hour for journeymen wiremen, Three Dollars and Forty-Three Cents (\$3.42) per hour for foremen and Three Dollars and Sixty-Nine Cents (\$3.69) per hour for general foremen for all hours worked covered by this Agreement, except 1st and 2nd term apprentices who are probationary employees and receive no contributions to the IBEW District 9 Retirement Plan, a jointly trustee pension trust created pursuant to Section 302c of the Labor Management Relations Act.

** All other apprentices will receive their contribution of the \$3.15 based on their percentage of journeyman rate.

Please see Appendix A for Cowlitz & Wahkiakum Counties.

Hours worked shall be deemed to include straight time hours worked, actual overtime hours, report time and shift premium hours.

The Employer further agrees to be bound by the provisions of the trust agreement created by the IBEW District 9 Retirement Plan dated 1984 and all amendments hereafter adopted and agrees to accept as its representatives the present Employer trustees and their lawfully appointed successors.

The parties to the Agreement have also approved a provision which allows an employee voluntary after tax contribution, the authorized deduction for voluntary contribution cannot exceed 10% of the employee's gross wage. The employee must inform the Employer 30 days prior to the next pay period by signing the appropriate authorization form and notifying the Employer to make the appropriate after-tax-contribution via payroll deduction in pension payment. Union agrees to hold Employer harmless from any action growing out of any such deduction and assumes full responsibility for the disposition of the funds so deducted once they have been sent to the Union or its designee.

Section 6.06(b). Cornell-Hart 401(k) Plan

The parties to this Agreement, through their predecessors, have established the Cornell-Hart Pension Trust (the "Trust"). The parties to this Agreement affirm their sponsorship of the Trust.

The Trust is administered by a Board of Trustees composed of an equal number of Union representatives and Chapter representatives. The parties to this contract agree and by

this contract do designate as their respective representatives on the Board of Trustees such Employer or Union Trustees as will be selected in the manner provided by the Trust Agreement, together with their successors.

The Trustees have adopted the Cornell-Hart 1993 Plan which is an employee elective 401 (k) account plan (the "Plan"). Starting April 1, 2012, any bargaining unit employee can, by written election, cause a per dollar amount to be withheld from such employee's pay and transferred as a contribution to the Plan and Trust, to be held, invested and distributed only as provided in the Plan. The Trustees shall determine the optional per hour elective deferral amounts available to various categories of employees. All such elective deferrals shall be subject to:

(1) Tax qualification requirements under the Internal Revenue Code and IRS regulations, including limits on the maximum elective deferral and aggregate benefit limits applicable to tax qualified plans benefiting the individual.

(2) Rules prescribed by the Trustees for administration of the Plan, and compliance with tax qualification and ERISA laws.

Amounts withheld from pay shall be paid to the Trust within the time period established by the Trustees. A failure to forward such withheld pay by the due date will be treated in the same manner as delinquent pension contributions.

The per hour elective deferral amount effective April 1, 2012, shall be: \$1.00; \$2.00; \$4.00; \$6.00; or \$8.00.

First-year apprentices are not eligible for this plan.

Section 8.04. If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure

compliance. Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys' fees.

ARTICLE IX SAFETY

Section 9.01. There shall be a Joint Safety Committee consisting of three members representing the Employer and three members representing the Union. The duties of this Committee shall be to develop and recommend safe work rules that are equal to or greater than the Standards of Construction as established by the Occupational Safety and Health Act of 1970, or other applicable Federal or State laws. Such rules, and other safety rules provided in this Article, are minimum rules and not intended to imply that the Union objects to the establishment and imposition by the Employer of additional or more stringent safety rules to protect the health and safety of the employees.

Section 9.02. It shall also be the function of this Committee to study these safe work rules and recommend their update to the parties to this Agreement for possible inclusion in this Agreement. This Committee shall meet at least once each quarter and also when called by the Chairman or when called by a majority of the current Committee members.

Section 9.03. Members of the Joint Safety Committee shall be selected by the party they represent. Their term of office shall be three years unless removed by the party they represent. The term of one Employer and one Union representative shall expire each year with successors to be determined in the same manner as the original appointments were made. A committee member is eligible to succeed himself.

Section 9.04. Two Journeymen shall work together on all energized circuits of 440 Volts AC or 250 Volts DC, or respective higher voltages. Journeyman shall be used in assisting a Journeyman Wireman while splicing cable.

Section 9.05. When workmen are employed on electrical work on or around energized circuits in manholes or vaults, there shall be one or more Journeyman present at all times to assist him. Workmen shall be provided with all approved safety devices.

Section 9.06. Journeyman Wireman, while splicing cable, shall not be required to work on wires or cables when the difference in potentials is over 200 Volts between any two conductors or between any conductor or ground, unless assisted by one Journeyman. In no case shall Journeyman Wireman, while splicing cable, be required to work on energized cables carrying in excess of 480 Volt circuits.

Section 9.07. No employees shall be compelled to use a powder actuated tool. Only qualified employees shall be permitted to use powder actuated tools.

Section 9.08. The Employer shall furnish hard hats when such are required and shall also furnish proper individual protective gear to workmen engaged in burning and welding operations.

Section 9.09. The safe work practices that are in effect on utility company property which are more stringent than those in this Agreement shall apply to work which is performed on that property under the terms of this Agreement.

Section 9.10. It is the Employers' exclusive responsibility to ensure the safety of its employees and their compliance with these safety rules and standards.

Section 9.11. Disregard for the Employer's safety policy or use of safety equipment shall result in the employee being referred to the Employer/IBEW Joint Safety Committee (9.01) for review and training and may result in employee discipline and/or discharge by the Employer.

ARTICLE X SUBSTANCE ABUSE

Section 10.01. The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and Employer shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and Employer. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and Employer to meet the requirements of those laws and regulations.

Section 10.02. When drug and alcohol testing is performed, all testing shall be conducted in accordance with the procedures outlined in the aforementioned policy. Employer will participate in the Agreement's drug free workplace policy, but reserves the right to administer their own drug tests as part of a company policy.

Section 10.03. Any employee who reports for work under the influence of alcoholic beverages or drugs, or who drinks alcoholic beverages or uses illegal drugs on the job site, or who report at the job site with alcoholic beverages, drugs, or firearms illegally in his possession, shall be subject to immediate termination.

ARTICLE XI CODE OF EXCELLENCE

Section 11.01. The parties to this Agreement recognize that to meet the needs of our customers, both Employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers' expectations. Therefore, each IBEW local union and Employer shall implement a Code of Excellence Program. The program shall include minimum standards as designed by the IBEW and Employer.

ARTICLE XII COLLECTION

Section 12.01. Collection. Employer contributions to employee benefit trust funds and contributions to the apprenticeship and training trust together with all employee wage withholdings (vacation, union dues, credit union, PAC), are due and payable on or before the 15th day of each month covering the hours worked by each employee through the last full payroll period in the prior calendar month. The Employer shall file a monthly electronic payroll report through ePR Live as required by the trustees of the funds for each contribution or fringe benefit or wage withholding in the form established therefore. A report shall be filed, regardless of whether or not the Employer employed any covered employees in the period covered by said report, and a report indicating no contributions shall constitute a certification by the Employer that there were no contributions owing for the period covered by the report.

Section 12.02. Liquidated Damages Delinquency Charge. If Employer fails to file a report or pay contributions or wage withholdings by the 20th of the month in which such report or payment is due, Employer shall be considered delinquent and in violation of this Agreement. Legal action may be brought by the appropriate parties to enforce collection and/or reporting without resort to arbitration. The delinquent Employer shall be liable for all reasonable attorney fees, court costs and other expenses incurred in the enforcement of any applicable trust agreement or collection from such Employer plus liquidated damages and lost earnings charges provided below. The Employer shall make available applicable books and records for the purpose of auditing same to determine the amount of his liability, and shall pay the expenses of the audit if any delinquencies are found under the guidelines of any of the applicable trust agreements. Action to collect contributions may be brought in the name of the respective trust fund involved, its Trustees or any assignee or agency designated by said Trustees. The Employer agrees to, and shall be bound by, the terms of the Trust Agreement for each Trust to which contributions are allowed or required hereunder.

Section 12.03. If Employer is delinquent in the payment or reporting of contributions, Employer shall be liable for liquidated damages and for damages for loss of earnings and related administrative and collection expenses which may be difficult to assess. These liquidated damages are in addition to contributions otherwise due. Damages for loss of earnings on contributions which are delinquent past the last day of the month, in which they are due, shall be charged at the rate of twelve percent (12%) per year of the delinquent contributions from the first day of the month following the month in which they are due until paid. Liquidated damages for administrative and collection efforts or expenses shall be computed for each trust for delinquencies during each twelve

consecutive calendar months as follows: (1) For the first delinquency, \$25 per full or partial calendar month of delinquency up to a maximum of \$100; (2) for the second delinquency, 5% of the contributions owed, or \$25 if greater, per full or partial calendar month of delinquency, up to a maximum of 20% or \$100 if greater; (3) for the third and subsequent delinquencies, 10% of contributions owed, or \$25 if greater, per full or partial calendar month of delinquency, up to a maximum of 20% or \$100 if greater.

Section 12.04. The parties agree to abide by the terms and conditions established from time to time by the trustees of the various trust providing the fringe benefits, with respect to any collection procedure for delinquent contributions; provided, however, this Agreement or the applicable trust agreement shall control to the extent of any direct conflict with such collection procedures. The Employer, without prior participation and contribution history to the trust funds or which have been delinquent in reporting or paying contributions to the trust funds, shall post security for contributions due the trust funds in the manner and to the extent required by the collection policies and procedures established by the trust funds.

Section 12.05. Delinquent Employer shall be liable to any employee affected by such delinquency for all benefits lost by such employee by virtue of such delinquency, plus interest at the statutory rate and, such delinquent Employer shall also be liable for reasonable attorney fees for any action brought to recover the amount of said benefits.

Section 12.06. The Union may remove employees covered by this Agreement from the employ of the delinquent Employer provided advance notice to the delinquent Employer of not less than seventy-two (72) hours is given of such proposed action. Such removal of employees and the cessation of work by the employees of the delinquent Employer shall continue until the administrator or collecting agent of the applicable trust involved confirms that no amounts remain owing to said fund by said Employer.

Section 12.07. There has been considerable time and effort since 1984 on behalf of the parties hereto assessing the need for and amount of liquidated damages that an Employer should pay to cover administrative and collection effort that is difficult to estimate and could be substantial.

Section 12.08. The parties recognize and acknowledge: that the regular and prompt payment of individual Employer contributions and/or amounts withheld from employees' wages is essential to the maintenance of the various multiemployer employee benefit funds and designated recipients of the withholdings; that delinquencies cause increased administration COSTS because of the additional labor, record keeping, oral and written notification, investigation, consultation and other effort to enter information in the computers, make calculations, send demand letters to and otherwise communicate with the delinquent Employer, make reports to the delinquency committee members responsible for collecting all delinquent amounts, and fully inform counsel, the auditor or other third parties of the information needed to collect all delinquencies; that each failure to pay must be investigated and referred to one or more appropriate service providers for field investigation or audit or legal action; and that collection efforts must be undertaken even if the Employer thereafter promptly pays the delinquent contributions or withholdings.

Section 12.09. The Employer's failure to make timely payment each month of the contribution and withholding amounts required by Employer's Agreement can result in: damage to the labor management harmony, the amount of which is difficult to estimate; employee loss of health and certain pension coverage, with damage that could be substantial and would be difficult or impossible to estimate; and reduced benefit amounts to all employees of all participating employers if late or delinquent payments become significant.

Section 12.10. The foregoing are not exhaustive, but demonstrate some of the costs, difficulties and damages created by late payment or nonpayment. As the length of the delinquency increases, the time and effort by the administrative staff and retained service providers increases, thereby increasing the damage to the recipients. Unlike the lost earnings charge, which increases at a specified rate per day, the exact cost for the additional damages caused by late payment or nonpayment is extremely difficult to determine.

Section 12.11. Accordingly, in light of the anticipated harm caused by late payment or nonpayment of contributions and withholdings, the difficulties of proof of loss, and the inconvenience or non-feasibility of otherwise obtaining an adequate remedy, the parties agree, that the delinquent Employer shall be liable for all liquidated damages delinquency charges specified herein with respect to all contributions and withholdings not paid by the delinquency date.

SEPARABILITY CLAUSE

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective June _____, 2013.
