**Harrison Electrical Workers Trust Fund Health Reserve Account Sharing Policy – Effective June 1, 2020 through December 31, 2020.**

The purpose of the current Health Plan Reserve Sharing Policy is to permit Participants of the Harrison Electrical Workers Trust Fund (“Trust”) Active Employee Plan (“the Plan”) to assist other Participants who would lose coverage under the Plan. Effective June 1, 2020 through December 31, 2020 the Board of Trustees has approved a temporary addendum to the current Health Plan Reserve Account Sharing Policy.

Participants are now able to make a one-time donation of banked credits to assist Participants who would lose coverage under the Plan. This one-time donation can be done without a permanent reduction in the maximum amount of credits that can accumulate in their Reserve Account. Donors may name the recipient of their donation or let the Trust know they wish to donate, and the donation will go to other Participants who would lose coverage under the Plan that are asking for donations.

If you are a Participant that is eligible to make partial self-payments or COBRA payments under the Plan you may make a one-time request to be added to the donation list. Please understand you may not receive all monies requested.

The minimum donation amount is \$350 with the maximum being \$3,750. You may only donate banked credits. Forms must be submitted to the Trust Office by Noon on Thursday for Friday donation, and you will be notified when the donation is complete.

Forms can be found at [www.harrisonbenefits.org](http://www.harrisonbenefits.org). If you wish to donate, please complete the Donor Application. If you wish to receive a donation, please complete the Recipient Application and return to the Trust Office via fax or email, do NOT mail your application.
