The Edison Pension Trust Announces:
Benefits Information Online

NECA IBEW
Oregon - Columbia   Local 48

The Edison Pension Trust is pleased to offer this self-service online tool. The service gives free online access to your pension benefit information. Take a minute to review the online services now available.

How do I access this information?

#1 Sign up
You will need your social security number to sign up. Go to: https://benefits.wcearhart.com. Once there type in your Social Security Number and check the box to **'request a PIN number'**.

Your PIN number will be mailed to you within 24 hours of the request, and you should receive it within a couple of days.

#2 Sign in and use the system
Once you have received your PIN number the sign up process is complete. Now you will have access to view your pension benefit information online.

System features allow members to:

- ✓ View Pension Benefits Accumulated
- ✓ View Hours reported by year
- ✓ View Vesting Status
- ✓ View Retiree/Beneficiary payment history information

Common Questions

Do I need a special computer or software to access my benefits online?
No, all you need is an internet connection; any speed, any ISP service can get you access to your benefits online.

Does it cost anything?
No, it is a service offered by the Edison Pension Trust free of charge.

How current is the information?
Pension Benefit information is updated nightly in order to capture any employer contributions or changes entered into our system.

Is the information secure?
Yes, we use state-of-the-art web encryption software to ensure that a participant's pension benefit information and their Social Security Number are secure.

Problems/Issues?
If you experience issues or problems, please contact us at info@wcearhart.com or call (503)282-5581 and refer to the online pension website.
