Re: IBEW Member Survey

Dear Sisters and Brothers:

This is to inform you the IBEW has contracted with a survey firm to gauge member opinions on a wide range of subjects. The survey, conducted by EMC Research, will occur this month. Members may be contacted by phone, email, or text message. I strongly encourage members to participate because their opinions are vital to the growth and success of the IBEW.

Please be assured that any information collected by EMC Research will be used for research purposes only. No personal information will be shared with the IBEW, and all collected responses will be anonymized.

Thank you for your efforts to secure this critical feedback to better serve IBEW's members. If you have any questions or require additional information, please contact Assistant to the International President for Government Affairs Danielle Eckert at (202) 728-6046 or by email to GovernmentAffairs@IBEW.org.

With best wishes, I am

In Solidarity,

Kenneth W. Cooper
International President
