

# CHILD CARE For Construction

## FINANCIAL ASSISTANCE FOR ELIGIBLE JOURNEYWORKERS

### *Great News*

*A financial assistance program is now available to Journeyworkers in construction related trades to reduce child care costs*

### *Who's Eligible*

- » Must have completed an Oregon registered apprenticeship program within the last five years
- » Must be a Journeyworker in a construction trade
- » Must spend more than 7% of household income in child care
- » Must have one or more children living at home who need care
- » Must provide proof of 40 hours of work or more in the last 90 days
- » Journeyworkers will continue to be eligible for at least one year and up to five years from initial determination of eligibility

Providers must be State Registered and/or Family, Friends and Neighbors approved through OR Department of Human Services
