POSITION ANNOUNCEMENT: Daytime Instructor-NECA-IBEW Electrical Training Center

Location: Portland, Oregon

Position Type: Full-Time, Salaried

About Us

The NECA-IBEW Electrical Training Center is dedicated to developing world-class electrical trade professionals through rigorous apprenticeship programs, hands-on laboratory instruction, and ongoing journey-level education. We pride ourselves on maintaining the highest standards of quality, safety, and leadership in the electrical industry.

Position Overview

We are seeking a dedicated and knowledgeable ***Daytime Instructor*** to join our educational team. In this role, you will help train and mentor the next generation of electrical professionals by delivering classroom instruction and facilitating practical, hands-on lab training.

Key Responsibilities

- Deliver instructional coursework across code, theory, safety, and practical application.
- Facilitate hands-on laboratory exercises and assess student performance and skills.
- Prepare lesson plans, instructional materials, and learning resources following standard curriculum guidelines.
- Maintain classroom environment, student safety, and academic integrity.
- Collaborate with fellow instructors and administrative staff to continuously improve training quality and curriculum alignment.
- Be familiar with and follow NIETC policies and procedures

Qualifications & Requirements

- **Code Expertise:** In-depth knowledge of and proficiency with the National Electrical Code (NEC).
- **Field Experience:** Minimum of 5 years of active field experience as a licensed Journeyman Electrician.
- **Team Orientation:** Strong interpersonal skills, collaborative mindset, and a commitment to working effectively within an instructional team.
- **Communication:** Excellent verbal and written communication skills with the ability to explain complex technical concepts to learners at varying skill levels.

Preferred Qualifications

- Prior teaching or instructional experience (e.g., teaching apprentices, CEU courses, or conducting field/safety training) is a plus.
- Microsoft Office (or similar) computer experience

How to Apply

Interested candidates should submit their resume and a brief cover letter outlining their background, trade experience, and interest in teaching to:

Marshall McGrady-Training Director

mmcgrady@nietc.org

Applications will close on 10/16/26
